MARRIAGE GUIDE. EVERY ONE HIS OWN DOCTOR—Being a private instruct or for married persons, or those about to be married, both male and female, in everything concerning the physiology and relation of our exual system, and the production and prevent-on of offspring, including all the new discoveries never before given in the English language, by WM. YOUNG, M. D. This is really a valu-able and interesting work. It is written in plain language for the general reader, and is illustrated with numerous Engravings. All young married people, or those contemplating marriage, and having the least impediment to marriage, and having the least impediment to married life, should read this book. It discloses secrets that every one should be acquirinted with; still it is a book that must be locked up

No matter what may be your disease, before on place yourself under the care of any of the UACKS—native aim oreign—who advertise n this or any other paper, get a copy of Dr. Young's Book and read it carefully. It will be e means of saving you many a dollar, your salth, and possibly your life. Dr. Young can in his publications by mail or at his office.
